Instruction

- 1. Before using, please do a comprehensive inspection of the **Jump Pogo Stick**. Make sure the screws are tight and no dirt or gravel on the spring. Be aware of your the anti skid pedal wearing and replace them
- 2. Grip the non-slip handle with both hands, step on the Jump Pogo Stick and then quickly lift up.

Tips:

- 1. Beginners are recommended to wear protective gears (armguard, genouillere, elbow pads, helmet). To reduce the risk and incidence of falls, adult supervision is advised
- 2. Pogo stick jumping is an extreme sport, wear comfortable pants and clothes.
- 3. Do not play after drinking and avoid playing in a dark place. People who have high blood pressure or heart problems should not play this sport.
- 4. This new easy to learn and exciting product is for people 6 years old and above. Exercise the abdomen, buttocks, legs and other body parts while having fun. Best exercises to keep you fit, increase height and promotes bone growth.
- 5. This product should not be exposed to sun and rain to prevent the plastic from aging
- 6. Do not play close to vehicles, road, street and alleys, pool, valley, stairs, ramps, and lane.

CAUTION:

- 1. Change the batteries once they are exhausted.
- 2. Avoid over charging, lack of charge or over discharge to avoid damaging the battery.
- 3. Avoid mixing new and old batteries together.
- 4. Remove the batteries if you are not going to use the product for a long time.
- 5. The storage battery should be kept with full power and recharge it every month to avoid circuit board being acidified.
- 6. DO NOT throw the battery into a fire or expose to heat
- 7. The storage battery should be replaced if the battery cover is broken or leaking.
- 8. If any leaked fluid gets on your skin or clothes, wash it off immediately
