- Wireless Range: Up to 32' ft.

What's in the Box:

- PA Speaker System
- Remote Control
- Power Adapter

Technical Specs:

- Material: Polypropylene (PP)
- Max Power Output: 600 Watt Max
- Sound System: 8" -inch Subwoofer x2 + 1" Tweeter
- Impedance: 2.6 Ohm
- USB Interface Type: 2.0
- Digital Audio File Support: MP3
- Maximum USB Flash Support: 32GB
- Remote Control Battery Operated, 1 Piece Button Cell Battery CR-2025 (Included)
- Battery Life: Up to 3 Hours (Charge Time: Approx. 4.5 Hours)
- Rechargeable Battery: 3.7V, 2400mAh – 8.88 Wh
- Power Supply: 120/240V, Switchable (5V/2A Power Adapter)
- Dimensions (L x W x H): 9" x 8.66" x 23.2" -inches

FCC INFORMATION

WARNING:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This unit generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

California Prop 65 Warning

⚠️ WARNING:

This product contains Lead and lead compounds which is known to the state of California to cause cancer birth defects and other reproductive harm. Do not ingest.

For more info go to: www.P65warnings.ca.gov

WARNING

1. **DO NOT** place objects on top of the device, as they may scratch the surface.

2. **DO NOT** expose the device to dirty or dusty environments.

3. **DO NOT** insert any foreign objects into the device.

4. **DO NOT** expose the device to strong magnetic or electrical fields.

5. **DO NOT** use the device in the rain

6. Check with your local authority or retailer for proper disposal of electronic products.

7. **DO NOT** disassemble the device. Only a certified service technician should perform repairs.
