California Prop 65 Warning

WARNING:

This product contains Cadmium which is known to the state of California to cause cancer birth defects and other reproductive harm.

Do not ingest. For more info go to: www.P65warnings.ca.gov

Please read the following instructions and warnings carefully.

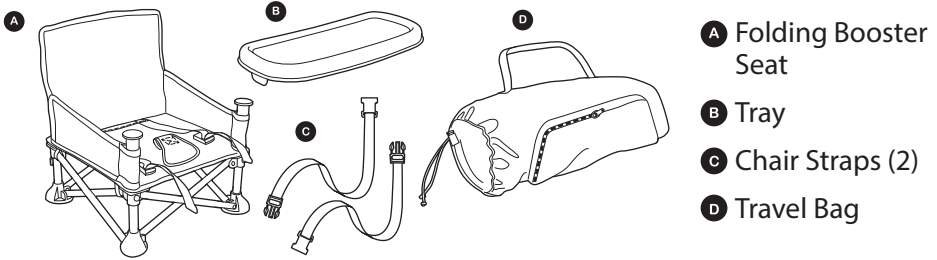

KEEP THIS INSTRUCTION MANUAL FOR FUTURE REFERENCE.

No tools required. For use with children from 6 months up to 37 lbs.

WARNING

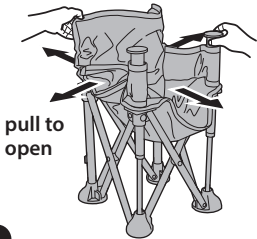

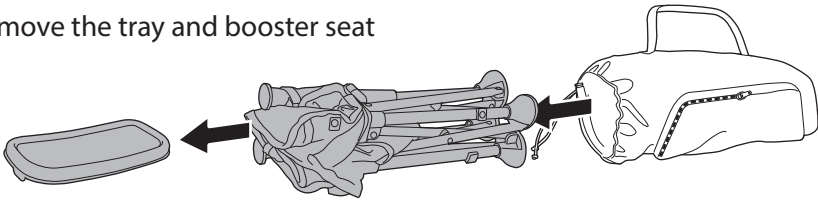

- Prevent serious injury or death from sliding out, falling, or tipping over.
- Never leave your child unattended or unsupervised.
- Always secure the child using restraint straps until they can get in and out of the booster seat independently (around 2 ½ years old).
- The tray is not designed to hold the child in the chair.
- Do not use in motor vehicles.
- Always secure both the back and seat straps to an adult chair.
- Always check the security of the fit to the adult chair before each use.
- Never allow the child to push away from the table.
- Never lift this product with your child in it.
- Do not use this product if it is damaged or broken.
- Never use this product as a car seat or bath seat, or on a table, countertop, stool, swivel chair, folding chair, unstable chair, or any chair where the straps cannot secure it properly.
- Use only on a chair with seat dimensions larger than the booster seat.
- Check that both the floor and seat of the chair are level before installing the booster seat.
- Prevent finger injuries: Unfold the booster seat completely before use. Keep the child away from the booster seat when folding and unfolding.
- Prevent falls: Always use booster chair straps when using this product on elevated surfaces as a booster seat.

Components

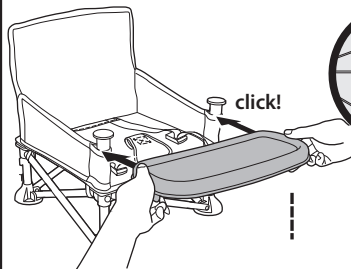

Assembly

1 Remove the tray and booster seat

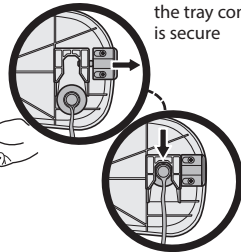

Note:
Before use, press down on the seat to ensure the legs and seat are fully open.

2 Squeeze the levers on the tray and slide it onto the booster

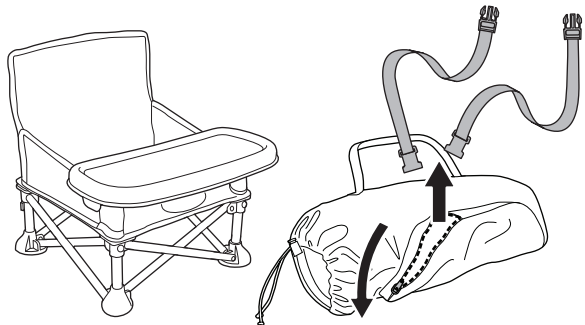

Note:
Before use, ensure the tray connection is secure

FINISHED 3

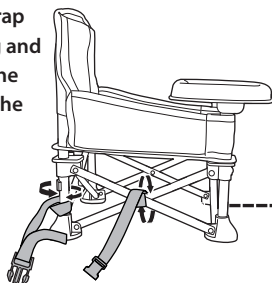

Securing booster to chair

1. Unzip the pocket of the travel bag and remove both sets of chair straps.

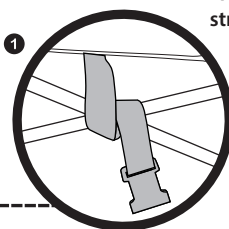

Securing booster to chair (continued)

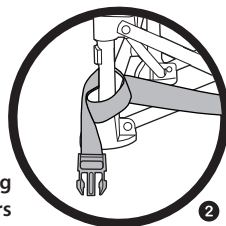

Attach one strap to the rear leg and one strap to the crossbars on the booster's side

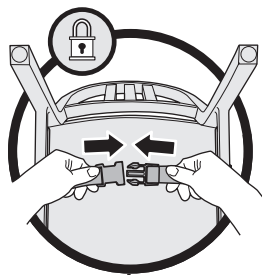

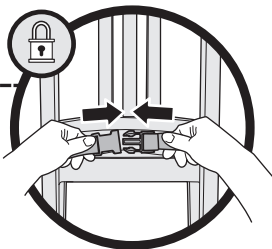

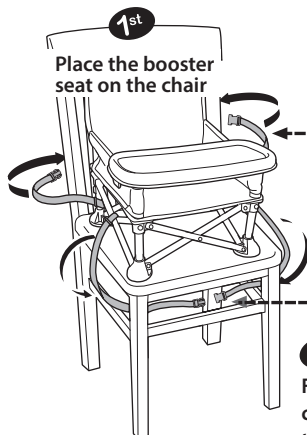

Repeat with the two remaining straps on the opposite side of the chair

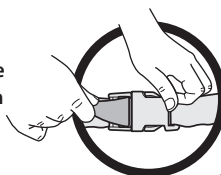

Attach one strap to the rear leg and one strap to the crossbars on the booster's side

1st
Place the booster seat on the chair

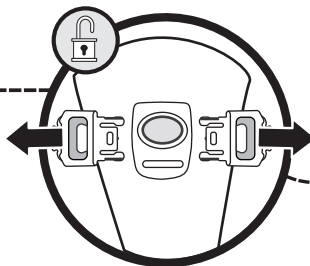

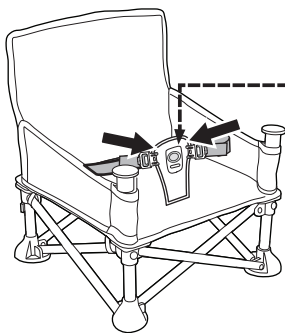

2nd
Fasten the clips around the chair back and underneath the chair seat

3rd
Be sure to tighten the straps securely

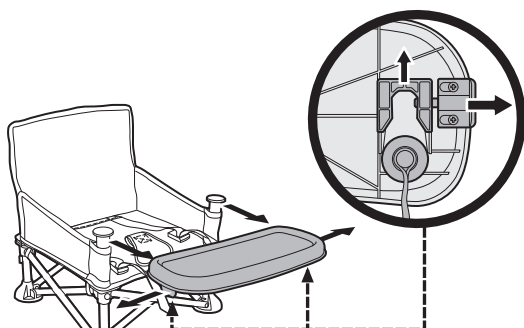

Child restraint

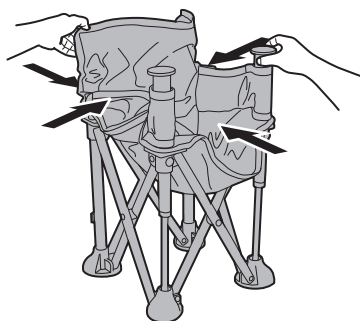

! WARNING

Prevent serious injury or death from falls or sliding out. Always use the restraint system.

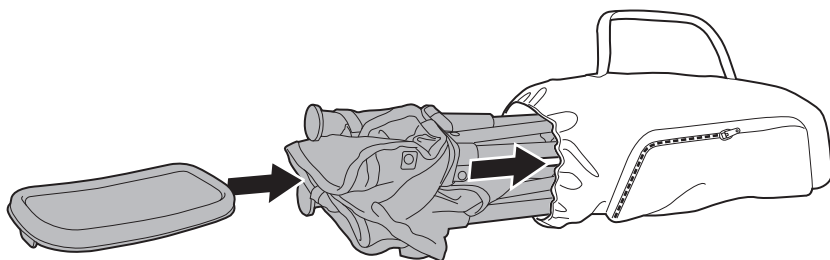

Tray removal

① Squeeze the levers on the tray and slide it off the booster

② Lift the seat and push it closed

③ Slide the tray and booster seat into the travel bag

Cleaning, Maintenance, and Storage

Before each use, inspect the booster for damaged hardware, loose joints, missing parts, or sharp edges. Do not use the booster if any parts are missing, torn, or broken.

To clean the booster seat and chair straps:

- Wipe clean with a damp cloth or sponge using mild soap and warm water.
- Towel dry or air dry before storing.
- **The tray is dishwasher safe (top rack only).**

Maintenance:

- Regularly inspect the booster seat for loose joints, damaged hardware, missing parts, or sharp edges.
- Do not use if any parts are missing, torn, or broken.
- Ensure all straps and buckles function properly before each use.

Storage:

- Fold the booster seat by lifting the seat and pushing it closed.
- Store the tray and booster inside the travel bag when not in use.
- Keep in a cool, dry place away from direct sunlight to prolong the product's lifespan.
