UV Resistant Material, Durable and Convenient Cover with Fabric Handles and Fastening Straps

USER MANUAL

⚠ WARNING

Do not operate an outdoor appliance or machine with the cover on. Fabric is **NOT** fire resistant. Keep away from open flames or burning logs.

⚠ CAUTION!

When covering an outdoor appliance, let it cool before you put the cover on it. Drain water from water fountains before installing the cover.

INSTALLATION

Check your patio furniture, appliance or machine to make sure there are no sharp objects or corners that could stress your cover as you pull it on.

- Place cover over BBQ.
- Center cover.
- Fasten the back Velcro straps on either end of the cover to prevent cover from coming off during windy conditions

CLEANING AND CARE

- Clean your cover with a soft brush and lukewarm water.
- **DO NOT USE SOAP** as it may remove the protective coatings added by the factory.
- **DO NOT PACK WET.**
- Air dry.
